Dear Parents,

For the first time last year, we gave children the opportunity to design their own Christmas card artwork. Children had their beautiful Christmas artwork professionally reproduced on gloss coated cards giving a quality finish, which were then packaged with envelopes in cellophane. They even have their name written on the reverse of the card, so the artist gets full credit. Your child will be so proud to send their cards to friends and family – parents won't even have to nag them to write them.

We are also pleased to offer you the option of ordering mugs, wrapping paper and tags. The mugs make great gifts for friends and family and the wrapping paper contains these nicely.

If you would like your child to participate in this year's design opportunity then please [register online here](#) by **Friday 9th October**. After this date, your child will then be issued a rolled up A3 design sheet where they can create their designs.

All design sheets must be kept crease free to avoid crinkle marks appearing on their final design. This is to be returned with the completed design and order form with payment by **Friday 23rd October 2020**.

Kind regards,

Mr Devincenzi-Clemens
