February 19, 2021

Dear Parents,

We hope you are all well and enjoying the half-term break.

We remain in close touch with the Contact Tracing service, and they have advised that any children or staff who have been out of Gibraltar or the local area during half-term will need to quarantine before returning to school.

I am therefore writing to ask anyone who has been away from Gibraltar and the local area during the half-term break to please let us know **today**. It is imperative for the safety of all our children, staff and their families that we are made aware of any children who have travelled abroad over the holiday and should therefore be quarantining for the stipulated period before returning to school.

We look forward to welcoming the children back to school on Monday and would like to remind you that although our schools have thankfully been permitted to re-open, the Covid-related safety protocols regarding the wearing of masks and social distancing at drop off/collection times remain in place.

Thank you for your cooperation in ensuring that our school remains a safe and welcoming environment for us all and we look forward to a happy and productive rest of the term.

Kind regards,

Mrs Napoli
