Dear Parents

We have been informed by the GHA, Child Welfare and the Department of Public Health that the date for the flu vaccination will need to change due to the latest guidance which states that Lower Primary need to be prioritised in line with vaccine availability.

We will therefore be vaccinating Upper Primary – Years 3, 4, 5 and 6 on Friday 26th November.

We will assume you would still like your child vaccinated, however please let me know, as soon as possible, if you are not happy with the change of date and would like your child removed from the list.

A separate email will be sent that covers lower Primary where the date will now be 19th November.

Kind regards
