Dear Parents,

Before Christmas, we had to take the decision not to allow toys such as Beyblades and Pokemon cards in school.

The decision was taken as children had started to bring in large numbers of items and arguments about ownership ensued, resulting in teachers having to take time to sort out disputes before lessons could resume after break/lunch. With your support, we will be happy to give it another go with Pokemon cards, sports cards and playing cards ONLY. Please do not allow your child to bring in his/her most prized cards and please reiterate at home that this will be for a **trial period**. If we feel that children are not coping with the responsibility, we will review this decision.

Please note that there are plenty of activities for the children over the lunchtime breaks, including chess, LSSC, Lego, drawing etc. Contrary to popular myth, children are not required to sit down and not move around. Playground games are positively encouraged, although full pelt sprinting cannot be allowed for obvious health and safety reasons.

Casais have commenced work on the Upper Playground, which we hope will be available for use in the not-too-distant future.

With thanks for your understanding,

Kind regards,

A handwritten signature in black ink, appearing to read 'Mrs Napoli'.

Mrs Napoli
