Dear Parents,

The Gibraltar Health Authority will be carrying out vision screening in school for children in Foundation Stage 2 later on this term, for children registered with the GHA.

We have been advised that 12 of our current FS2 children have expired health card and we would suggest that you check their dates and renew as soon as possible, to enable the vision checks to be carried out.

Any further information from the GHA regarding the vision checks will be sent to you prior to the vision screening.

Kind regards
