Monday 5th September 2022

Dear Parents,

Your child has shown an interest in participating in this year's Sewing Squadron. During this club pupils will learn a range of textile skills including, sewing techniques by hand, using a sewing machine along with a range of other processes to produce products.

The club will endeavour to reuse and recycled items where possible, however there will be occasions where raw products will be sourced for your child to use in the club projects, examples of this are the tie-dye cushions and pencil cases. Upon completion of the handmade products your child will be asked to make payment towards the cost of the materials/resources used, this is estimated at approximately £20.00 for the year.

The Sewing Squadron Club is led by Mr Devincenzi-Clemens and will take place on a Monday lunchtime, 13:00 – 13:30 in our Maker Space room commencing on Monday 19th September.

Please ensure that you have [enrolled your child online here](#) by **Friday 9th September**.

Kind regards,

Mr Devincenzi-Clemens
